## **Gorgeous Safari to Byron Bay – 7<sup>th</sup> to 12<sup>th</sup> February 2021 SAMPLE ITINERARY**

Byron Bay and its lush hinterland is literally heaven on earth; the beaches are long and pristine, the rainforest and farmland is magnificent - the rich volcanic soil perfect for growing a huge range of fruit and vegetables...which makes it a perfect place to explore, meet some inspiring locals and taste some of the best the region has to offer...and what better time to escape the world and do something indulgent for yourself than a Gorgeous Safari.

We stay in luxurious accommodation at the glamorous Elements of Byron resort right on Belongil Beach — where you can start the day with a long beach walk, a swim or yoga on the headland overlooking the stretch of sand. Each day is filled with simply perfect moments... you'll meet people who have created lush gardens and farms from nothing, people who grow exceptional produce including a visit to a true Garden of Eden, a couple who created their own rainforest and make some very cool gin from the berries they grow; we meet many talented chefs and visit some of the top restaurants and a great local produce market... plus we are delighted to announce we have a special class with long term local - the culinary legend Belinda Jeffery who will share some of her favourite recipes with us ...as well, there's time for you to unwind, enjoy a spa treatment, laze by a choice of 2 exceptional pools, walk along the beach at our doorstep or the quiet stillness of the rainforest on the property.

We want to give you a real taste of one of our favourite places and return you home glowing and rested.

**Host:** Maeve O'Meara
